

# We Need Your help! Qualified Donors 18-35 years old Needed

We are currently recruiting participants for a Research study that will test the ability of donated white blood cells to fight cancer

If you would like to donate white blood cells, or for additional information regarding this trial, please call the South Florida Bone Marrow/Stem Cell Transplant Institute research team at (561) 752-5522 or visit [www.bmscti.org/clinicaltrials.htm](http://www.bmscti.org/clinicaltrials.htm) and fill out a “Donor Reply Form”

Note: compensation for time and travel will be given to Qualified Donors
