Advertiser is responsible for reviewing, proofing, editing, approving, and signing off on all copy. Editor/publisher will not be responsible for any errors in ad copy after advertiser sign-off. Editor/publisher reserves the right to reject or cancel any and all advertising from agencies or advertisers with unpaid invoices.

I have read, understood, and agree to be bound by all of the items on this advertising insertion order contract, including the terms and conditions set forth in the attached “insertion order/advertising contract terms and conditions”. I further acknowledge that I am acting within the bounds of my authority in signing this agreement.

Signature  Title  Date
A. Insertion orders are offers to purchase space from Publisher of Life Extension Magazine® (“Publisher”) and shall not constitute binding contracts until accepted by Publisher. Upon such acceptance by Publisher, in its sole and absolute discretion, there shall exist an advertising contract between the Advertiser, or if the insertion order was submitted by an agency, Advertiser and its agency (in either case, hereinafter, “Advertiser and its agency”) and Publisher, which shall be subject to, and on, the terms and conditions stated herein. Only those terms and conditions appearing herein are binding upon Publisher, and no terms or conditions, printed or otherwise, appearing on contracts, orders, or copy instructions, which conflict with the provisions herein shall be binding upon Publisher, unless specifically agreed to in writing by an authorized representative of Publisher.

B. Placement of an order for an advertisement constitutes a representation by Advertiser and its agency that agency is the authorized agent for Advertiser, and that Advertiser and its agency shall be jointly and severally liable for all charges and other obligations to Publisher arising out of the advertising contract. Neither Advertiser nor its agency may change, withdraw or cancel any contract or insertion order on or after the closing date of the issue for which insertion is requested. In consideration of Publisher’s review for acceptance of any advertising for publication, Advertiser and its agency agree not to make promotional, merchandising or other reference to Publisher or the magazine, directly or indirectly, in any way except with the express prior written permission of Publisher for each such use.

C. Advertiser and its agency shall obtain all necessary licenses and other permissions necessary in connection with publication of the advertisement. Upon placement of any insertion order, Advertiser and its agency each represent and warrant to Publisher that they are fully authorized to publish the entire content and subject matter of the requested advertisement including, without limitation, the name, likeness, or other identification of any person, and all material contained therein, and that nothing therein will violate or infringe any third party rights or any applicable law or regulation.

D. Positioning of all advertisements is at the discretion of Publisher, except as specifically agreed upon separately and in writing by an authorized representative of Publisher. Publisher shall have the unrestricted right to require any advertising matter to be marked as an advertisement. Publisher shall have no liability for errors in key numbers, subset type, free information numbers, or Advertisers index. Publisher shall have no obligation or liability for any change in advertisement requested after the applicable closing date. Publisher shall have no liability for the reproduction quality of advertising print materials which fail to meet the mechanical requirements stipulated.

E. Publisher reserves the unrestricted right to reject any advertising at any time for any reason after receipt of the advertising materials. Rejection by Publisher shall not constitute a breach of contract between Publisher and Advertiser or its agency. In such event, Publisher shall repay any amount previously paid by Advertiser or its agency to Publisher with respect to the rejected advertisement.

F. Publisher reserves the unrestricted right to cancel at any time, for any reason, any advertisement, whether or not the same has already been accepted for publication and/or previously published. Cancellation by Publisher shall not constitute a breach of contract between Publisher and Advertiser or its agency. In such event, Publisher may publish the advertisement in a subsequent issue or repay any amount previously paid by Advertiser or its agency to Publisher with respect to the canceled advertisement, in its discretion, without any other liability to Advertiser or its agency, provided that, Advertiser and its agency may elect repayment of amounts previously paid in lieu of publication in a subsequent issue.

G. Publisher shall have no liability to Advertiser or its agency as a result of any failure to publish or circulate all or any part of an issue or otherwise fulfill an insertion order as a result of any event beyond Publisher’s control, except to publish the advertisement in a subsequent issue or repay any amount previously paid in respect of such advertisement.

H. Publisher’s liability, if any, for any act, error or omission in any and all circumstances shall not exceed the cost of space ordered or occupied by Publisher’s error, which shall be the sole remedy available to Advertiser and its agency, and Publisher shall not, in any event, be liable for any consequential or other damages including, but not limited to, expenses incurred or lost income or profits.

I. Publisher shall have the right to hold Advertiser and/or its advertising agency jointly and severally liable for such monies as are due and payable to Publisher for advertising that Advertiser or its agency ordered and that was published.

J. All advertising materials will be destroyed after one year, provided that, if Advertiser or its agency requests in writing that the materials be returned or delivered to a third party, Publisher will return or deliver the materials at the requesting party’s sole expense, risk and liability.

K. Advertiser and its agency do hereby agree to defend, indemnify and hold harmless Publisher and its officers, directors, shareholders, affiliates, parent, subsidiaries, agents and employees, from and against any loss, liability, damage or expense, including attorney’s fees, arising out of or in connection with the copying, printing or publishing of any advertisement submitted by Advertiser or its agency, based on the content or subject matter of advertisements including, without limitation, claims or suits for libel, violation of right of privacy, plagiarism, copyright or trademark infringement, or violation of any law or regulation, or the breach by Advertiser or its agency of any covenant, term, representation or warranty contained in these Contract and Copy Regulations.

L. The advertising contract set forth herein and all matters relating thereto, including any matter of dispute arising out of the advertising contract, shall be interpreted, governed and enforced according to the laws of the State of Florida, and the parties consent to the exclusive jurisdiction of all appropriate courts in the State of Florida, County of Broward, to resolve such disputes. The prevailing party in such proceedings shall be entitled to an award of reasonable attorney’s fees.
